ALMA MATER

The hallowed name is Firestone;
We sing our praise to thee.
Of all our days at Firestone
We'll think eternally.
Your faith we command
As proudly we stand
And pledge our loyalty.
For Firestone High
Our love will not die;
We give fidelity.
For Firestone victorious,
For sons both brave and bold,
For love of Alma Mater,
All hail to the green and gold.

Introducing Our New Principal-

JOSEPH FRIEDMAN
Kent State University

Mr. Joseph Friedman is Firestone High School's new principal. Since the beginning of the 1970 school year, he has played an important part in Firestone's academic and social life. He has initiated several changes enabling Firestone to conduct its business more efficiently.

Mr. Friedman taught English and journalism at Kenmore High School for nine years. He became the assistant principal of Kenmore in 1963.

Mr. Friedman is quoted as saying, "Man's greatest gift is his children. I'm fortunate that I shall have a very large family and my only reason for existing is to serve the needs of my Firestone family."

Whether he is seen in serious consultation with a teacher, advising a student, or dancing merrily at a pep assembly, Mr. Joseph Friedman commands the respect and admiration of the faculty and student body.

Changes in Administration

CALVIN TRITT
Heidelberg College
Kent State University

Mr. Calvin Tritt, assistant principal, constantly strives to create and improve an atmosphere that encourages learning. He also handles the bookstore as well as being in charge of the distribution of students' text books.

Mr. Tritt has been assistant principal at Firestone since the opening of the school in 1962.

A shift of responsibilities has taken place in the administration of FHS. This year, Mr. Michael Barich is charged with the handling of all disciplinary and attendance problems that occur throughout the day. With the assistance of his secretary, Mrs. Joyce Ewell (pictured on page 23), Mr. Barich keeps the attendance procedures at Firestone running smoothly and efficiently.

PHYLLIS JAY LERCH
University of Akron

Counseling is essential to the high school student. Miss Phyllis Lerch, Miss Ruth Courtney and Mr. Kay Fluke constitute the guidance team at Firestone. As the sophomores find themselves in the midst of new and strange surroundings, the counselors guide them to the proper selection of courses of study for their high school years. They help juniors to recognize the many opportunities of the future. When seniors are faced with the task of selecting a college or profession, they, too, are aided by the counselors.

English Serves as the Foundation

Firestone students have an opportunity to read great past and contemporary literature under the instruction of the English. department.

Members of the English department teach basic literature to most sophomore classes and American literature to juniors and sophomore honors classes. In the past, senior and junior honors classes studied English literature. This has been changed so that seniors may now choose World literature, practical English or journalism for their English requirement.

In addition to regular English classes, Mr. David Robb and Firestone's debate coach, Mr. Thomas Smith, teach speech and drama. Miss Nancy Mettler and Mr. John Vandever are in charge of literary seminar. Mrs. Ruth Nilsson is the new Volplane advisor and Miss Joann Detzel is the newspaper advisor.

Miss Detzel, Mrs. Darlene Troyer and Mr. Robert Schlemmer are newcomers to Firestone's English department.

Learning from the mistakes of the past, working to understand the present and striving to overcome the future are the foundations upon which the required history courses of Firestone are based. Sophomores get an overall view of the past by taking world history, taught by Mrs. Virginia Barbieri, Miss Jeanne Klocker and Mr. Robert Whitney. Focusing on the events of America, juniors take American history, taught by Miss Klocker, Mrs. Mary Anne Nebiker and Mr. William Turanchik. Seniors concern themselves with our govenment by taking problems of democracy, taught by Mr. David Marshall, Mr. Ronald Snider and Mr. Michael Barich (pictured on page 20). In addition, sociology, economics, world geography and humanities can be pursued by the history student this year.

Creativity and Music Challenge the Imagination

Students at Firestone are given the chance to set their creativity in motion by pursuing various art and music courses. Mr. Denis Chasek teaches sculpture, ceramics and crafts, while Mr. Jere Culver instructs graphic art, which includes painting, printmaking, drawing and design. Mr. Joseph Lentine and Mr. Arnold Thomas constitute the music team — vocal and instrumental. Aside from directing the various choirs at Firestone, Mr. Thomas teaches music theory and music history. Mr. Lentine directs the concert band and the marching band. Film making is a new course offered this year at Firestone and is taught by Mr. Charles Garrett. Through these courses, the student at Firestone can spend time each day developing his own special talents.

Communication Leads to Understanding

In order for communication to evolve, a language must be utilized. Therefore, Firestone offers the student an opportunity to study French, Spanish, German, Latin and Russian. French is taught by Mr. William Filey and Mrs. Diane Suchan. Mr. Donald Hanlon, Mrs. Maria Todorovic and Mr. Filey make up the Spanish team and Mr. Bruce Blake teaches Latin. German is taught by Mrs. Todorovic and Mr. Robert Schlemmer (pictured on page 24). Russian is taught by Mr. Ronald Snider (pictured on page 27). Through these courses, the student is able to study the language of the people and the culture of various countries.

Science and Mathematics

The study of mathematics can be explored in depth at Firestone. Math courses offered are algebra, geometry, elementary functions, math analysis, calculus and technical math. Teaching geometry are Mr. Waldemar Bender, Mr. Virgil Yehnert, Mr. Donald Nutter and Mr. Alexander Rachita. Students who choose to take algebra are instructed by Mr. Nutter, Mrs. Dorothy Vance, Mr. Bender or Mr. Yehnert. In addition, Mr. Rachita teaches calculus and analysis; Mr. Nutter teaches technical math and Mrs. Vance instructs elementary functions. All of these courses aid the student toward systematic and organized thinking.

Logically Search for Truth

The study of science offers a better understanding of the world around us and a closer step toward logical thinking.

Firestone's science department offers biology, chemistry, physics and physical science courses.

Biology, offered to sophomores only, is taught by Mr. Robbert Wallace. (Pictured on page 34)

In addition to the regular chemistry course taught by Mr. William Hunt, general chemistry has been innovated this year. This course, taught by Mr. Charles Weiss, studies the practical aspects of chemistry as opposed to the theoretical concepts of regular chemistry.

Physics is taught by Mr. Gordon Johnson and is offered to juniors and seniors.

Physical science, open to juniors and seniors, is taught by Mr. Glyn Parker.

Firestone's Commercial Arts department gives students an opportunity to develop manual skills.

Mr. Paul McKeever instructs students in mechanical drawing, woodshop and metal shop.

Food classes, taught by Mrs. Vivian Gillman, teach the basics of nutrition and the preparation of food.

Mrs. Evelyn Smith teaches clothing construction and home decoration. This course teaches students to sew and create their own clothing and how to make their homes more beautiful.

Physical Education Program

Physical education and health classes at Firestone are designed to help students become healthy, well-rounded individuals.

Mrs. Judith White, Mrs. Sarah Dannemiller and Mr. William Heideman teach students techniques to improve their skill and coordination through the use of the pool and gymnasium facilities.

Juniors learn the values of first aid, correct driving practices and balanced diets in health classes which are taught by Mrs. Tula Cosmoglos, Mrs. Dannemiller, Mr. Jerry Sipka and Mr. Robert Wallace.

This year gym and swimming classes are optional for seniors.

Library, Planetarium--Keys to the Unknown

Under the supervision of Miss Virginia Himebaugh, Firestone's well-equipped library offers a wealth of up-to-date information to the faculty and student body.

Our library has over 9,000 books and 79 magazines in circulation, receives three newspapers daily and has twenty magazines on microfilm.

In addition, the library boasts many types of audio-visual equipment such as stereo tapes, film strip viewers, slide making etographs, copy press and a microfilm projector which enables the library to store past magazine and newspaper information.

Firestone's planetarium offers an exciting tour of the stars to astronomy students from the Akron area.

Mr. Donald Hammett conducts this tour daily by transforming the fifty-foot planet dome into an immense sea of stars while giving informative lectures.

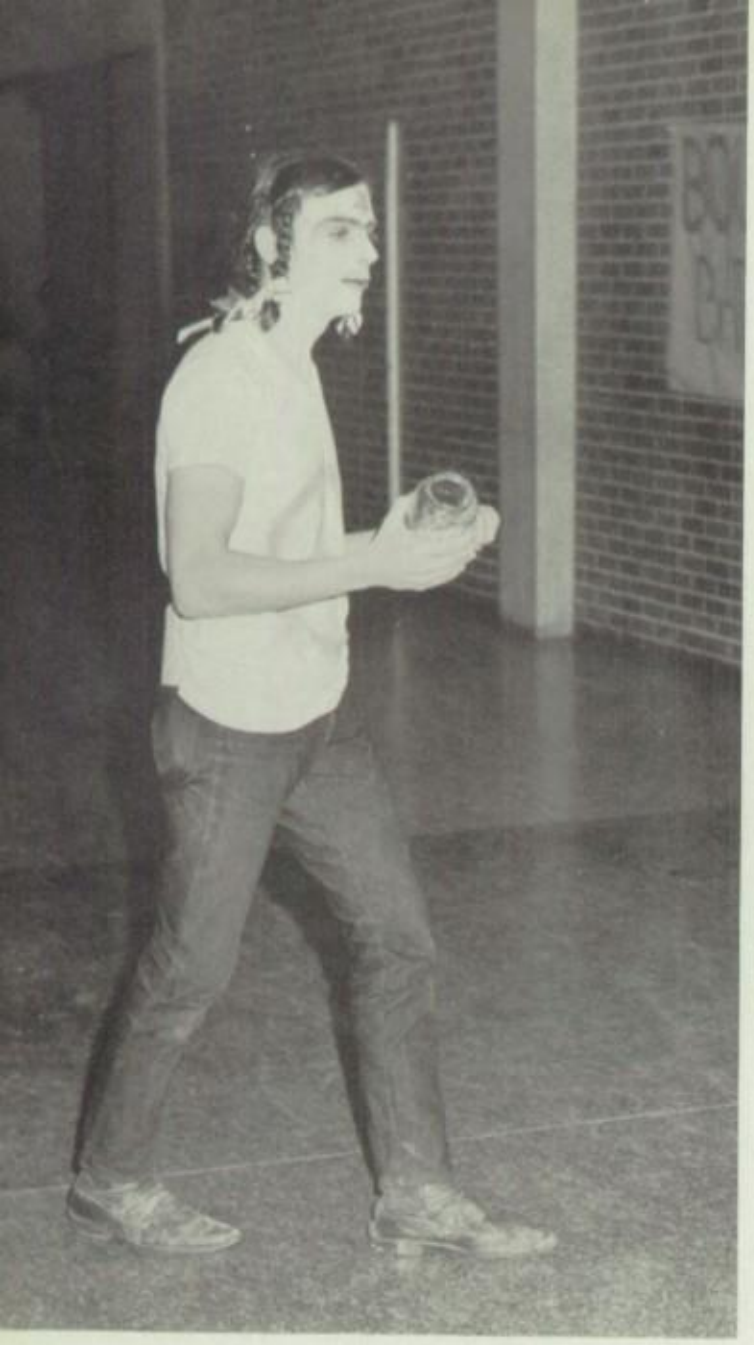
ACTIVITIES



"Ugly Man" Jim Medvedeff collects money for the Heart Fund, which became $100 richer as a result of the Ugly Man Dance sponsored by the Homeroom Reps.

Opinions and suggestions of the students are expressed through the Student-Teacher Coalition which was established last year. Recommendations of this body together with the faculty advisory and the administration determine the government of Firestone.

Senior Jim Medvedeff presided over the first semester of coalition and Mr. Alex Rachita the second semester. Coalition focused on improvements in the student center, which included the purchase of a coffee machine, and revised special study hall and classroom attendance.

Students, ranking in the upper 25% of their class, are voted upon by faculty members. The society, advised by Mrs. Mary Ann Nebiker, provides a tutorial service and handles the coat check at school functions.

In addition to the annual spring induction of juniors, this year the remaining eligible seniors were inducted in October.

Quill and Scroll is an international honorary organization for journalism students. Members must have written fifty newspaper column inches and place in the upper third of their class.

Voices of the students are heard through the publication of **Voices.** This student published magazine is a combination of creative thought, art and photography.

Volplane:

Volplane, taken from the French word meaning to soar or glide, represents the Firestone Falcon. Members of the Volplane staff, advised by Mrs. Ruth Nilsson, meet daily during the sixth period. Staff members willingly sacrifice additional hours during free periods and after school hours to take pictures, write copy and plan layouts. Every aspect of Firestone's yearbook is put together solely by the staff who designs and pastes down every page.

A Time For Us

Homecoming festivities were initiated at a hard fought game against East, Friday, October 30. The exciting half-time presentation of the court revealed Karen as the 1970 Homecoming Queen.

The following night Firestone's cafeteria was transformed into a lovely dance floor, and couples enjoyed moving to the sounds of Mantissa. "A Time For Us" was beautifully sung by Janice Worrell while the court and their escorts were introduced.

Liat and Lt. Cable romantically exchange feelings of love.

South Pacific ... Some Enchanted Evening

As many pretty chorus girls occupy the stage, Honeybun steals the show.

Under the superb direction of Mr. Arnold Thomas and Mr. Joseph Lentine, The Firestone Music Department presented Rodgers' and Hammerstein's "South Pacific." The play opened filling the house November 20, and sailed successfully through the 21, 23 and 24.

"South Pacific," which takes place on the Pacific Islands during World War II, is the story of two civilian-servicemen romances. First, is the love affair between the middle-aged French planter Emile de Beque and a military nurse Nellie Forbush from Little Rock. Lt. Joseph Cable, encouraged by the scheming Bloody Mary, falls in love with a Tonkinese girl Liat.

CATALINA CLUB

Roaring into the Twenties were the forty-four members of Catalina Club. These girls presented the major events of the 1920's in the sixth annual spring water show, April 30 and May 1 in Firestone's natatorium.

Members of the club were the choreographers of the thirteen numbers, and Penny Hibbs was synchronize chairman; Hal Hess was narrator.

This club is interested in developing skills and gaining experience in synchronized swimming. Membership is determined on the basis of tryouts in the fall. They are open to all girls maintaining a 2.0 grade average. Finnettes is a training group for Catalina.

Marching band provided the music and entertainment during pep assemblies and at football halftimes. On December 6 Firestone's marching band was presented the all-city band award by the Touchdown Club for its accomplishment of best band in Akron.

The Best of Year Show, consisting of the most popular numbers of the year, was performed by the band for the public's enjoyment.

Concert band participated in the Band-in-Rounds Concert and competed in the State Contest receiving an excellent rating for their performance.

Firestone majorettes competed in the Tri-County Invitational Majorette Contest for the first time on Saturday, November 21.

Trophies and titles were awarded to the top three squads with Firestone placing third, Ellet placing second and Wadsworth winning first place. Karen Zateslo was selected as one of the top three finalists in individual competition and received a trophy for her display of talent.

Group Effort Supports Peace Corps, Ahead

Self-sacrifice and unselfish contributions have been prevalent throughout the year in several aspects of school activity. Two Peace Corps concerts and four AHEAD concerts raised about $240 and $90 respectively. Of this money, $225 went to the purchase of bricks, roofing tiles, lime, cement, doors and windows, metal and paint for a Peace Corps school in Coe Pyta, Paraguay.

Also $60 was collected for a hospital in Haiti through the sale of Haiti beads. Proceeds of $264 from a dance held January 16 were donated to the Peace Corps. Student donations to the Peace Corps totaled $540.

Colour My World

Firestone's 1971 Spring Dance centered around the theme "Colour My World," the title of one of **Chicago's** big hits. The Knight of Nights Dance and the May Dance from previous years was combined for the first time in this Spring Court Dance.

On Friday, April 2, the **Mantissa** provided the music for the dance and performed "Colour My World" during the court presentation. Queen Ellen Cochran was crowned by Janice Worrell while King Andy Kusnyer received his crown from Bob Morris.

Marilyn LaCroix and Janice Worrell were head chairmen, while Mr. Whitney served as the faculty advisor.

Members of the girls' court and their escorts were Ellen, Greg Timberlake; Janice, Barry Woll; Susie, Chuck Case; Marsha, Jim Gates; Sandy, Ed Pittman; Sue, Paul Brown; Connie, Roger Blocher; Kathy, Doug Shoop; Kim, Ed Fender; Cathy, John Melby.

Falcons Repeat Gridiron Success With Playoff Berth

Combined efforts of manpower and mental attitude gave the 1970 football squad the necessary momentum to provide Firestone with a successful gridiron season, and their second consecutive playoff berth.

Opening the regular season in a three string defeat to Garfield, Ellet and Cuyahoga Falls, the Falcons were held scoreless. The squad soon recovered with both a winning offense and defense in consecutive victories over the "Big Blue" of South, the combined Central-Hower Eagles, and arch-rival Buchtel Griffins. Dealt a disappointing 12-0 loss by East for the homecoming, the "Big Green Machine" took revenge on the North Vikings on a 28-0 shutout, a highlight of the season.

This year's team was centered on a relatively small twelve man nucleus of seniors: Gary Church, Steve Richardson, Paul Brown, Jerry Shane, Mercury Morris, Dave Voss, Scott Nelson, Ron Shoop, Steve Spelman, Jeff Merrow, Jeff Prinz and John Benninger. This core was backed by an exceptionally fine squad of juniors and sophomores, providing for a promising 1971 football season.

Team honors included Most Valuable, Dave Voss and Jeff Merrow; Most Improved, Jeff Prinz; Best Offensive Lineman, Jerry Shane; Best Defensive Lineman, Jeff Merrow; Best Offensive Back, Gary Church; Best Defensive Back, Rick Oldfield and Ron Shoop; the Dedication Award was presented to captain Paul Brown.

Area coaches and sportswriters honored Firestone with many all-competition positions on both the local and regional levels. Seniors Jeff Prinz, Gary Church, Jeff Merrow and Steve Spelman received All-City awards on the first team, with Merrow as defensive captain. Juniors Jack Recht and Rick Oldfield were given second team and honorable mention, respectively. On the All-District list were Jeff Merrow, first team; Gary Church, second team; with Steve Spelman and Jeff Prinz winning honorable mention. Merrow also took first team Northeastern-Ohio and second team All-State as a defensive tackle.

Guiding the squad was head coach Robert Wallace with the aid of coaches Dave Marshall and Jerry Sipka. Coaches Ron Laubaugh, Harry Welling, Tom Floyd and assistants Ron Jackson, Tom Cargo, and Tom Zateslo totaled the complete coaching staff. An additional boost was given by managers Bill Ritter, Jerry Lesnick, Tim Dolwick, Ed Hurst, and Scott "Harpo" Dietchman.

This combination of a dedicated staff and squad gave Firestone an aggressive football team. The beauty of success resides in victories over opponents once considered superior. Firestone's gridiron ability continues to mount as the years pass.

1970 DISTRICT CROSS COUNTRY TEAM

S. Ross G. Baker J. Robinson S. Sanders N. Buian D. Shoup M. Robey

The 1970 cross country team reaffirmed their position in the city by defending their city title and also placing second in the district meet. The example set by coach Bill Heideman in many of the practices directed the team toward its strong finish.

Leading the team were co-captains Steve Sanders, 7th in City, 8th in District and Nick Buian, 12th in City, 13th in District. Other seniors on the team were Doug Shoup, 10th in City, 19th in District and Bernie Silverman.

Outstanding underclassmen were sophomore John Robinson, 9th in City, 11th in District and junior Greg Baker, 19th in City, 26th in District. Also contributing to the success of the team were juniors William Bondurant and Bill Merton with sophomores Mark Roby, Sam Ross, Jim Underwood, Bob Movsesian and Dennis Torma.

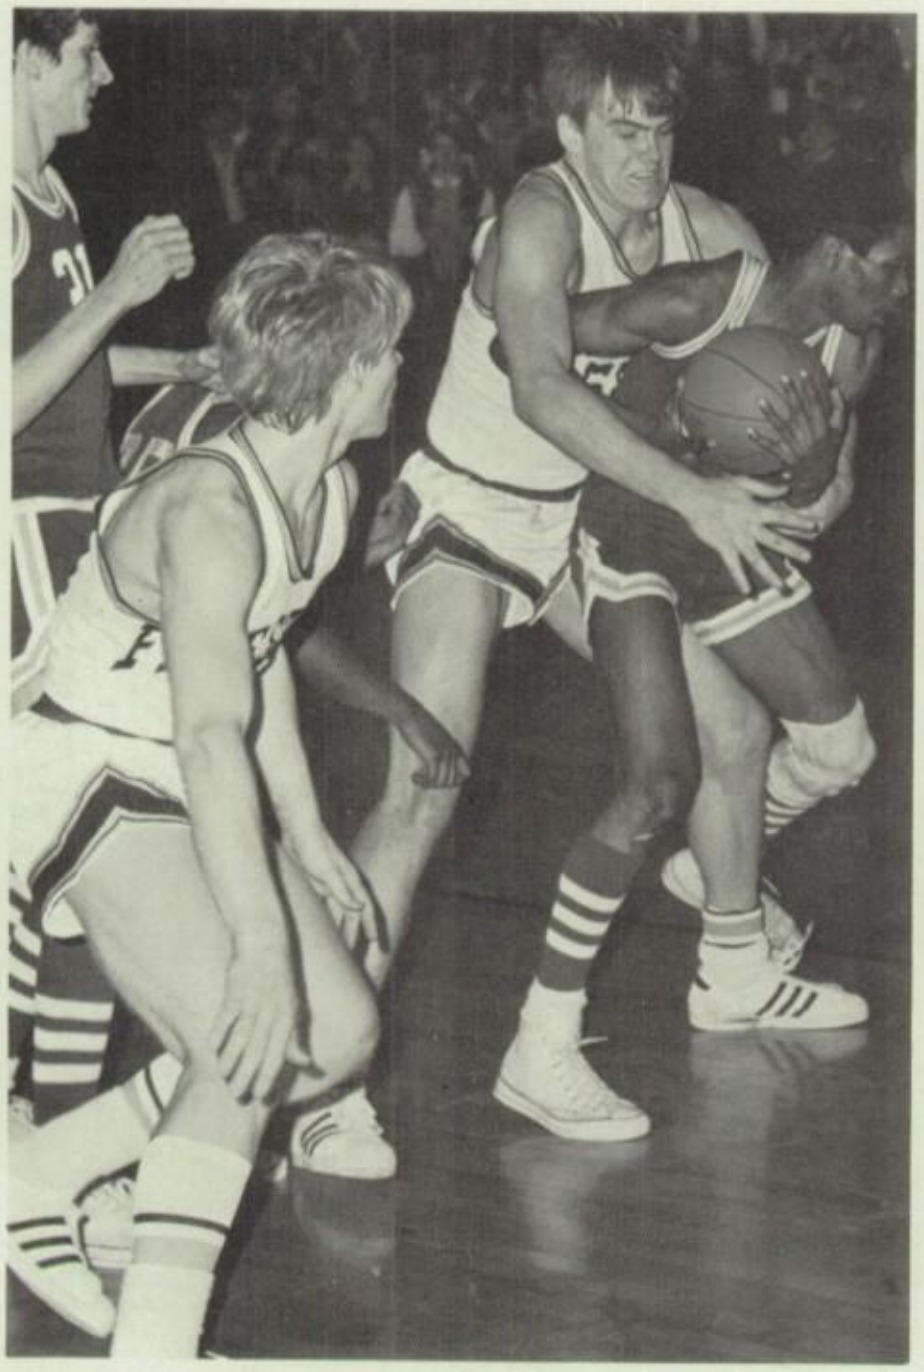
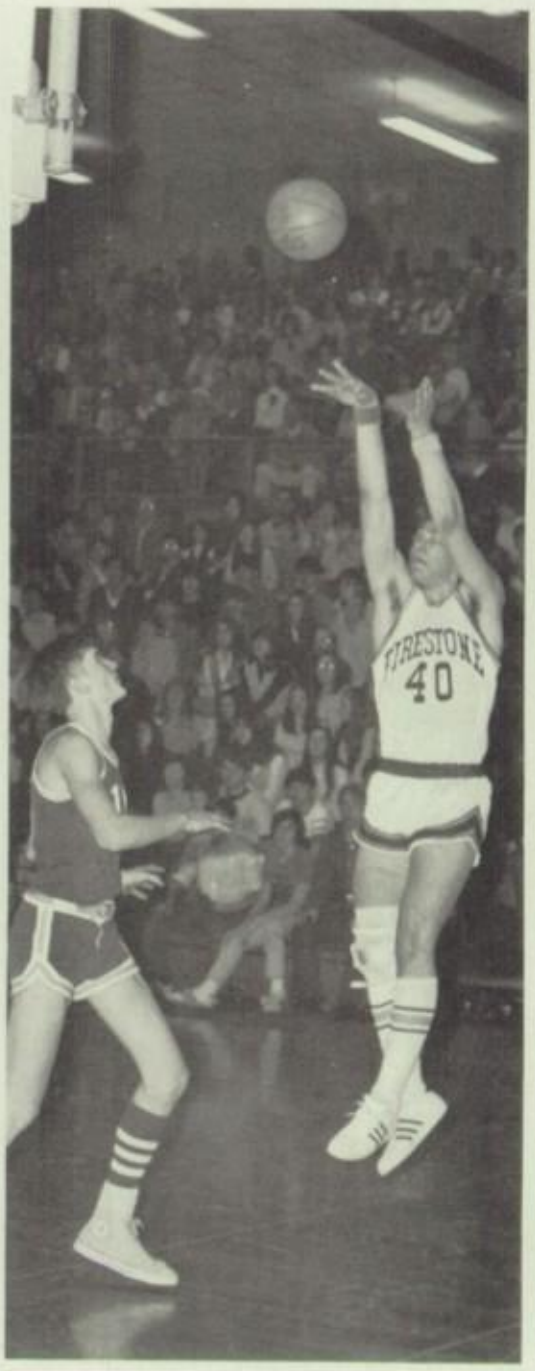
Basketball Team Overcomes Fierce





Firestone's Cagers burst into the season with a six game winning streak. Recognition increased as the team rose in the local standings to a position second in the area. As regular season play came to an end, Firestone's place in the city competition was firmly established. The battle for city honors was between Central-Hower, Buchtel, South and Firestone. The Falcons finished their regularly scheduled season with a tight but mighty victory over Central-Hower, who later went on to semi-final action in state competition.

In the city series playoffs our ball handlers gained a much desired revenge over Buchtel by ending their play in the city with a decisive 53-51 victory. Firestone went on to meet South in the finals; although in the end South's pressure playing won out.

The 70-71 senior team started playing together as sophomores on the junior varsity and gained varsity experience during their junior year. Time spent during these two years combined with work done by the seniors was responsible for the successful season. Coach Heideman credited Firestone's triumphant season on the player's sacrifice of personal glory for the good of the team.

Suppying the backbone for the team were seniors John VanAuker, Ken Larson and Andy Kusyner. VanAuker received recognition on the 1st team All-City, 1st **Beacon Journal** team and 2nd team All-District. Larson gained a position on the second team All-City, and Kusyner was named for an honorable mention All-City. Completing the starting lineup were junior John Singer and seniors Craig Belair and Tom Jenkins.

This was Bill Heideman's first year as head coach. To add to his problems as a new coach, he spent part of the season coaching from a hospital bed with the aid of a video-type camera. However, back at school, assistant coaches Bob Davis and Joe Webb with the assistance of managers Tom Davis, Mark Allen, Greg Baker and Jerry Lesnick (head manager) led the team towards its success.

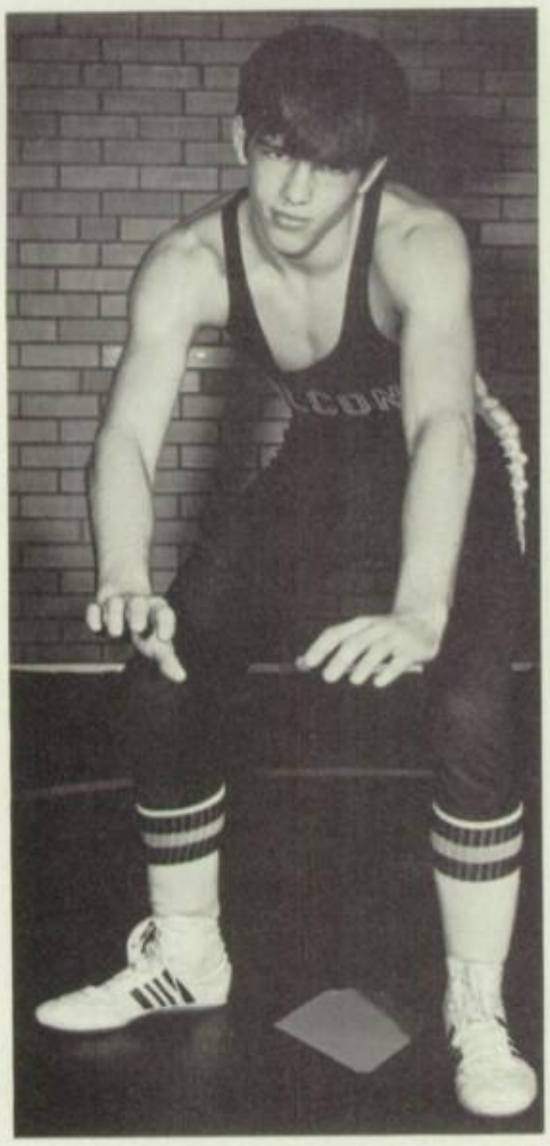
Coach Laubaugh beams as he reviews the wrestling record.



Captain Bill Baird
Most Valuable

Recording the finest season in Firestone's history, this year's wrestling squad returned from the mats winning eight matches while losing only two.

In their second year under Coach Ron Laubaugh the team demonstrated strength in the lightweight divisions with a good back-up in the middleweight and heavyweight catagories. Two starters were lost in the middle of the season, but the grapplers held strong throughout the meets to defeat such opponets as West-side rival Buchtél and last year's title holder, North.

At the end of the season Firestone placed third in all Akron area schools and held the city-series wrestling championship. Taking first place were three varsity wrestlers, Chad McClenathen, Frank Herman and senior capt. Bill Baird who were undefeated in city competition.

The squad promises to be exceptionally strong next year, after losing only two senior starters, Bill Baird and Denny Thompkins. Many returning veterans will spark next year's matmen, who will be eyeing more city titles.

Spirit leaders for the 1970-71 sports seasons were the twelve green and gold clad cheerleaders. The girls were responsible for raising student morale which boosted the various athletic teams at both pep assemblies and competitive events.

After a series of clinics, the prospective cheerleaders were judged at tryouts according to ability, appearance, voice and spirit. The four top girls from each grade were chosen on a basis of two cheers and six jumps by five impartial judges and a scale of three hundred points. Gail Norris and Ginny Miller were appointed captain and co-captain respectively for obtaining the two highest scores.

Growing Team Meets Demands of Changing Season

Dominating the '70-'71 swim team were the underclassmen with 18 sophomores, 14 juniors and nine seniors. The reorganization was highlighted by the fact that over half of the swimmers were first year members of the Firestone swim team. For such a young team the record established was quite impressive. Compiling an overall record of 17 wins and six losses, the team went on to demonstrate their control over the greater Akron swimming program with another city title. Final performances of the year were in the District and State meets with placings of second and ninth respectively. The season can be described as "wet and wild" as many meets were decided in the last event.

Firestone's representatives at the state level were:

Finalists:

200 yd. Medley relay — Keith Landsness, Doug Spindler, Chris Schubert and Szabolcs Batizy. **5th Place**

200 yd. Individual Medley — S. Batizy. **5th Place**

1 Meter Diving — Roger Blocher. **6th Place**

Qualifiers:

200 and 400 yd. Freestyle — Bill Jones.

400 yd. Freestyle Relay — Doug Spindler, Chris Schubert, Stasie Nicholaides and Ken Gast.

There were several outstanding swimmers this year representing all three classes. Senior Szabolcs Batizy, whose chances for a State title were hampered by an illness prior to the State meet, was a valuable member of the team capable of swimming all strokes in all events. Senior Chris Schubert, recipient of the Jack Taylor Award, was a strong member of the team, both physically and mentally. In the State meet he participated in both relays giving up all chances for individual honors. Senior diver Roger Blocher proved to be a consistent scorer by winning 12 of 14 meets prior to the District and State competition. Strongest representatives from the junior class were freestyler Doug Spindler and backstroker Keith Landsness. Bill Jones stood out from the sophomore ranks.

Completing the new team were coaches Pat McDonald, fresh from Buchtel and Pete Boggs, fresh from the Air Force. Coach McDonald's first year efforts at Firestone are well illustrated by his team's noted accomplishments (not to forget the arrival of his first child, Beth Ann). Team managers were sophomore Neil Goldberg and junior Steve Walrafen.

Trackmen Race to City Standings

1971 TRACK TEAM — Front Row: R. Warner, G. Baker, H. White, D. Shoup, D. Brereton, E. Bray, B. Rosenthal, M. Robey, S. Schneir, K. Cooper, R. Kay. **Second Row:** M. Cheplowicz, J. Reaven, K. Christer, D. Scoville, R. Shoop, J. Underwood, A. Finn, D. Sabetay, B. Peterson, M. Ademek, M. Christy, R. Oldfield, J. Levine, J. Robinson, S. Sanders, R. Strassburg, D. Torma, N. Buian, S. Spelman.

Falcon trackmen revealed a frustrating 3-8 record in the '71 dual track meets. However, they regained their footing in the more important relay, sectional and city meets.

Placing fourth out of a large field in the Greater Akron Relays, the cindermen then continued to take another fourth of sixteen teams in the Western Reserve Relays. In the Sectional meet, individual performances marked the day. Dan Umansky was sectional champion in the discus, the 880 relay team of Sweeney, Finn, Spelman and Nygaard placed third, John Robinson also took third in the mile and Nick Buian placed third in the grueling two mile run.

In the city championship meet, Firestone Thinclads hustled to third place in tough competition. In the spotlight were John Robinson and Steve Sanders as city champs in the mile and two mile, respectively. Ron Shoop arched second in the pole vault, while Nick Buian ran third in the two mile. The mile relay team of Otto, Nygaard, Finn and Sweeney placed third, and Bob Otto leapt for third honors in long jumping.

Under this year's direction of coaches Don Hammett and Bill Heideman, five new school records were set by Jack Recht in the high jump, Stasie Nicholaides in the shotput, Steve Spelman in high hurdles, Bob Otto broke his own record in long jump and the 880 relay team made a new Firestone speed record.

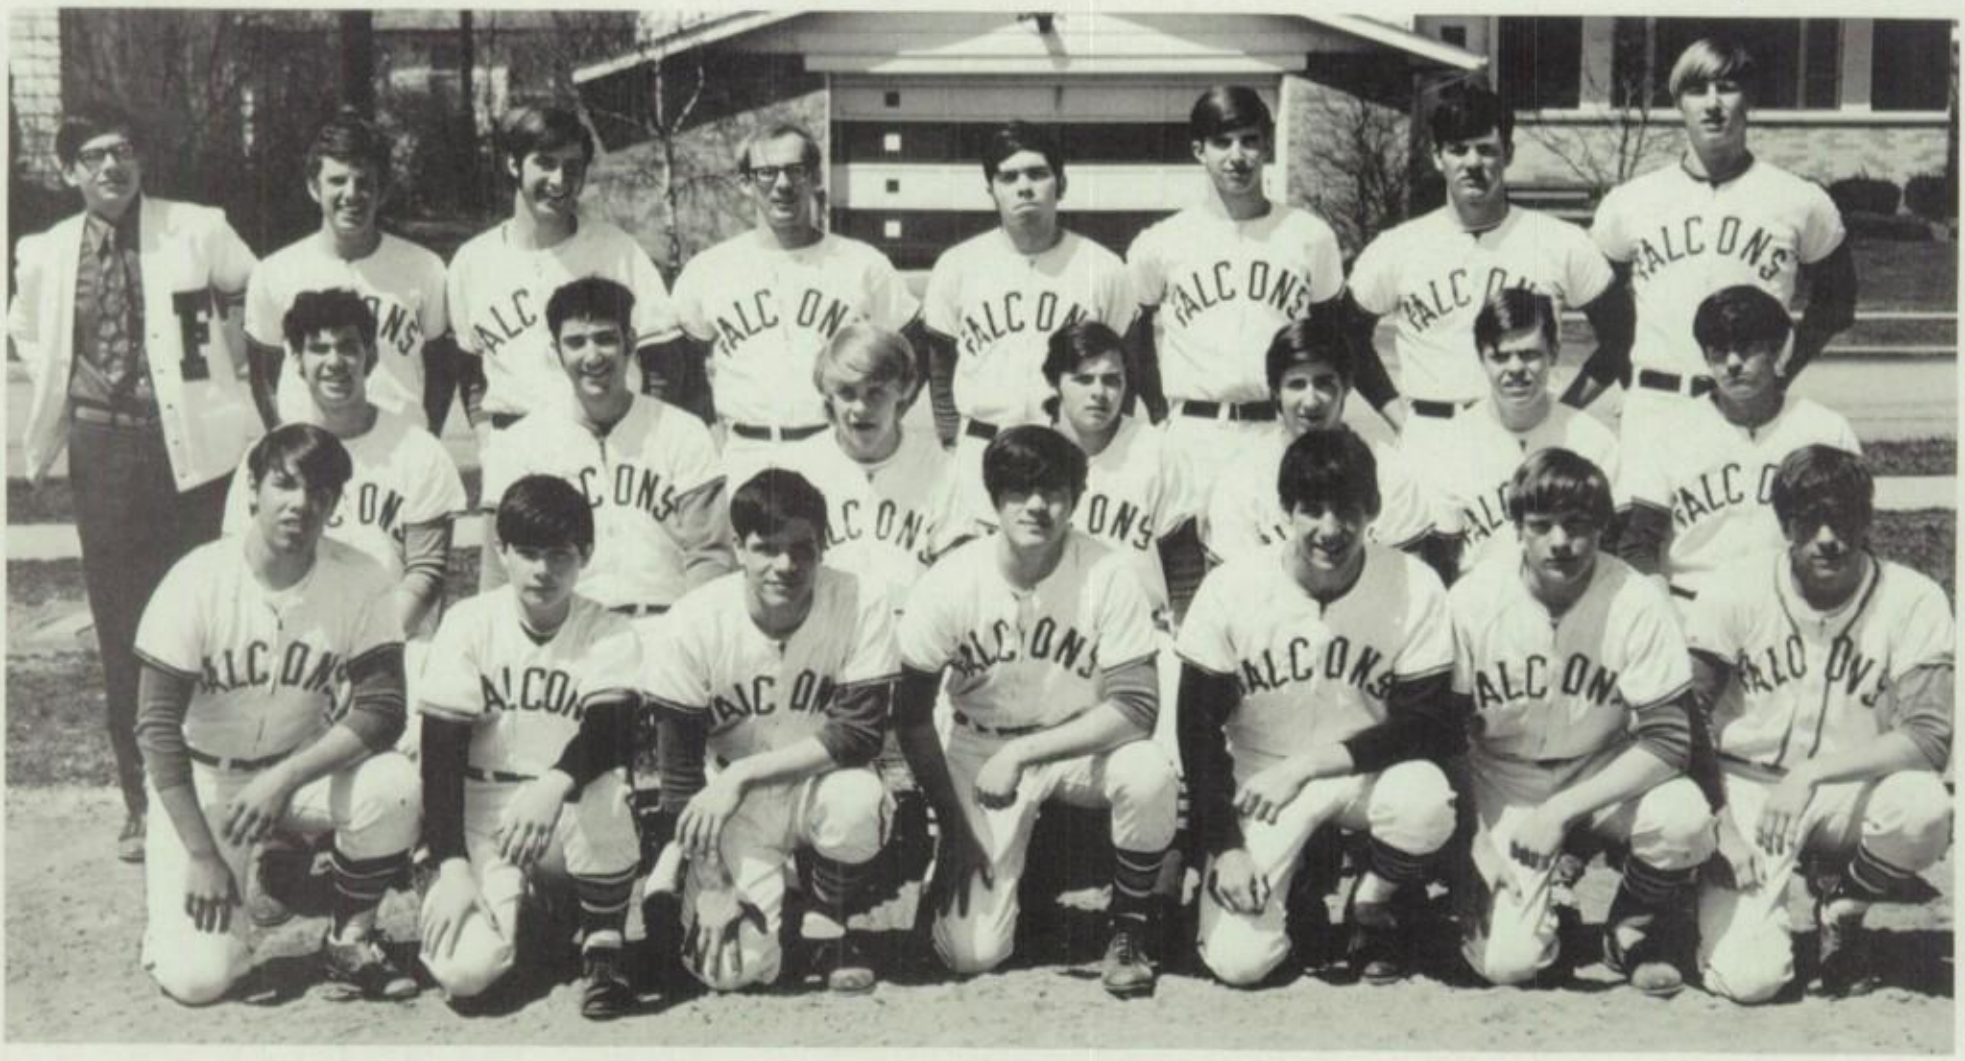
Distance men Steve Sanders and Nick Buian lead the pack.

Kurt Nygaard passes the baton to teammate Bob Otto in the mile relay.

Ron Shoop prepares for flight.

City champ John Robinson breaks the tape in the mile run.

Baseball Scores 17—8; Team Falls Short Of Playoffs



BASEBALL TEAM — **Front Row:** C. Renner, J. Laria, D. Wheadie, M. Lewis, M. Stoeckline, T. Johnson, B. Miller. **Second Row:** K. Botnick, G. Kamvouri, J. Singer, R. Matvey, D. Schriener, B. Bondurant, E. Fender. **Third Row:** E. Hurst, L. Wolfe, P. Pangle, D. Voss, M. Wisberger, T. Jenkins, S. Richardson, M. Wojno.

Chalking up another winning season with an overall record of 17-8, this year's basemen missed the city series playoffs by one game. This was the third consecutive winning season since the arrival of coach Dave Marshall.

The team's success was attributed to a composite of a field of able underclassmen led by a strong core of fine seniors. Leaving the team are graduates Tom Jenkins, Rick Matvey, Steve Richardson, Denny Schriener, Dave Voss, Mark Wisberger and Larry Wolfe.

One exciting event occurred during the Kenmore game when Voss "did it all" by scoring both of Firestone's runs with a home run and a sacrifice fly, while pitching the game. Another triumph was the overtake of East for the first time in four years.

At the awards banquet Most Improved Player was shared by Paul Pangle and John Singer. Larry Wolfe received Best Defense, and Denny Schriener was awarded Best Offense. Steve Richardson was named Most Valuable Player. Third year trophies were given to Richardson and Schriener, who maintained the highest overall batting averages of .419 and .375, respectively.

Next year's team promises a great season with eight returning lettermen and other capable prospective ballplayers.

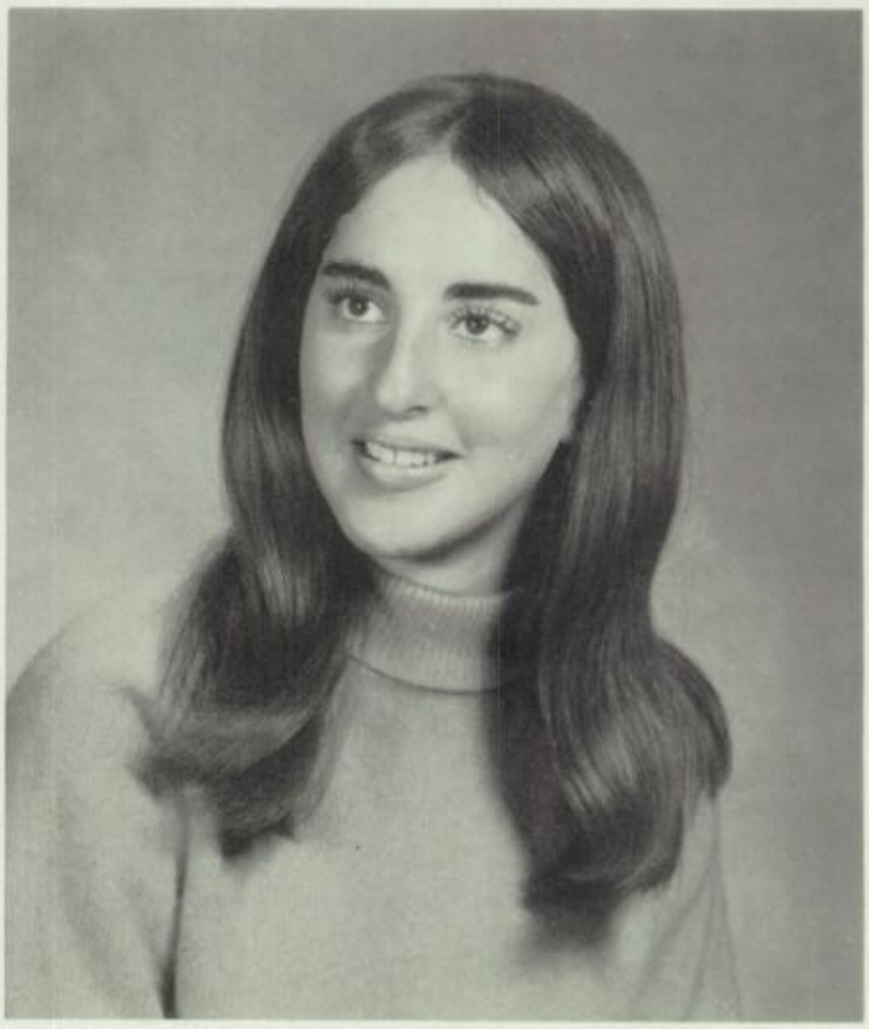
Mark Baker

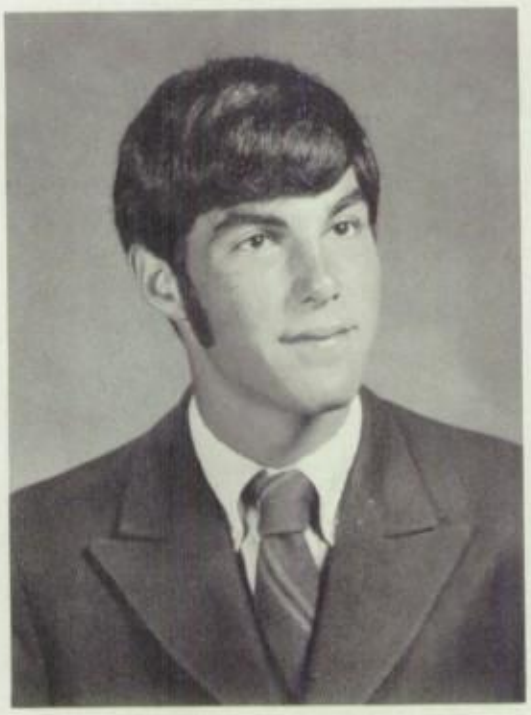


Judy Borodkin

These students graduated as valedictorians. Each finished his high school career with a four-point or better average. The valedictorians wore gold cords at graduation.

National Merit Scholars Commended

Jeffrey Freeman



Scott Gordon

Mary Kunkle

Seven seniors qualified as National Merit Finalists. David Ashmore (not pictured), Jeffrey Freeman, Scott Gordon, Mary Kunkle, Barry Peterson, Charles Resnick and Paul Weygandt advanced from semifinalist standing to finalist status in the spring of 1971 by receiving the endorsement of their schools, by substantiating their high NMSQT performance on a second examination and by providing information about their scholastic and extracurricular achievements.

Jeffrey Sugar reached semifinalist ranking. Semifinalists obtained the highest scores in the state on the NMSQT given in February of 1970 and constitute less than one percent of the graduating secondary school seniors in the United States.

Letters of Commendation were awarded to Marcia Duff, Timothy Fulmer, Bonita Hunter, Kenneth Jacobson, Susan Kesti, Thomas Lammertse, Michael Lofgren, Andrea Lucas, Mary Reiheld, Marjorie Sacks and Steven Willey. Commended scholars scored in the upper two percent of those expected to graduate from high school in 1971. They ranked just below semifinalists.

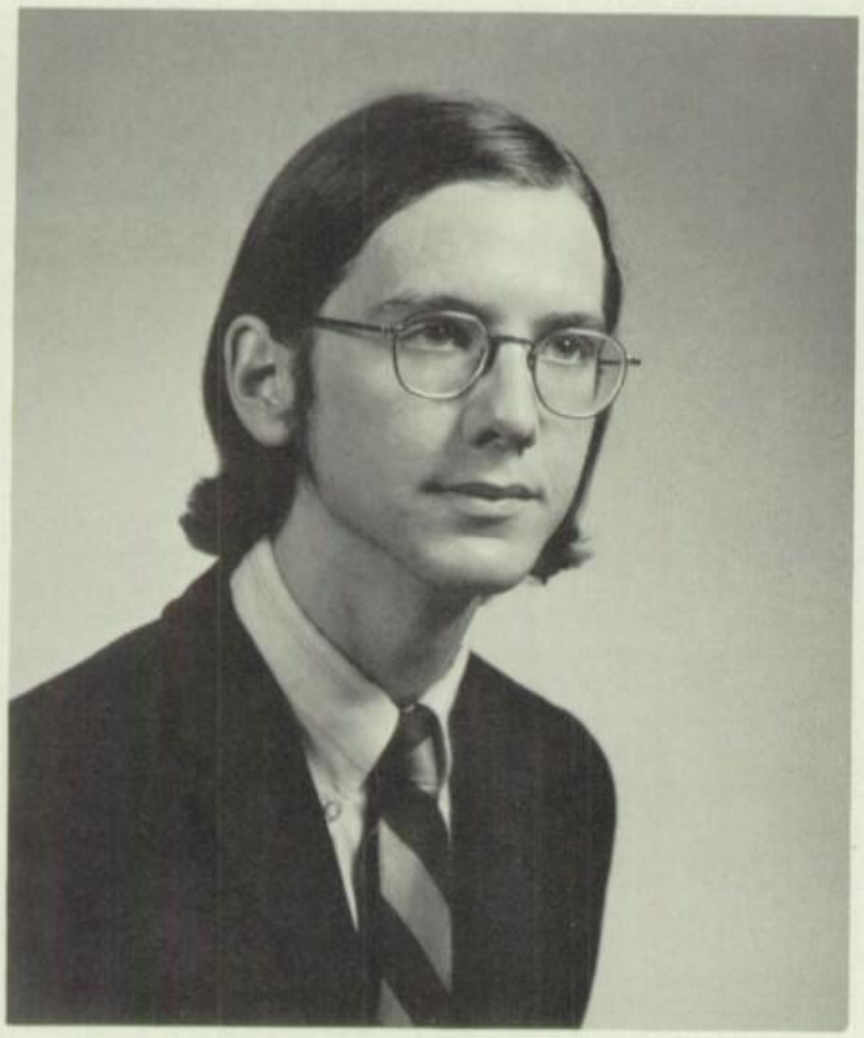
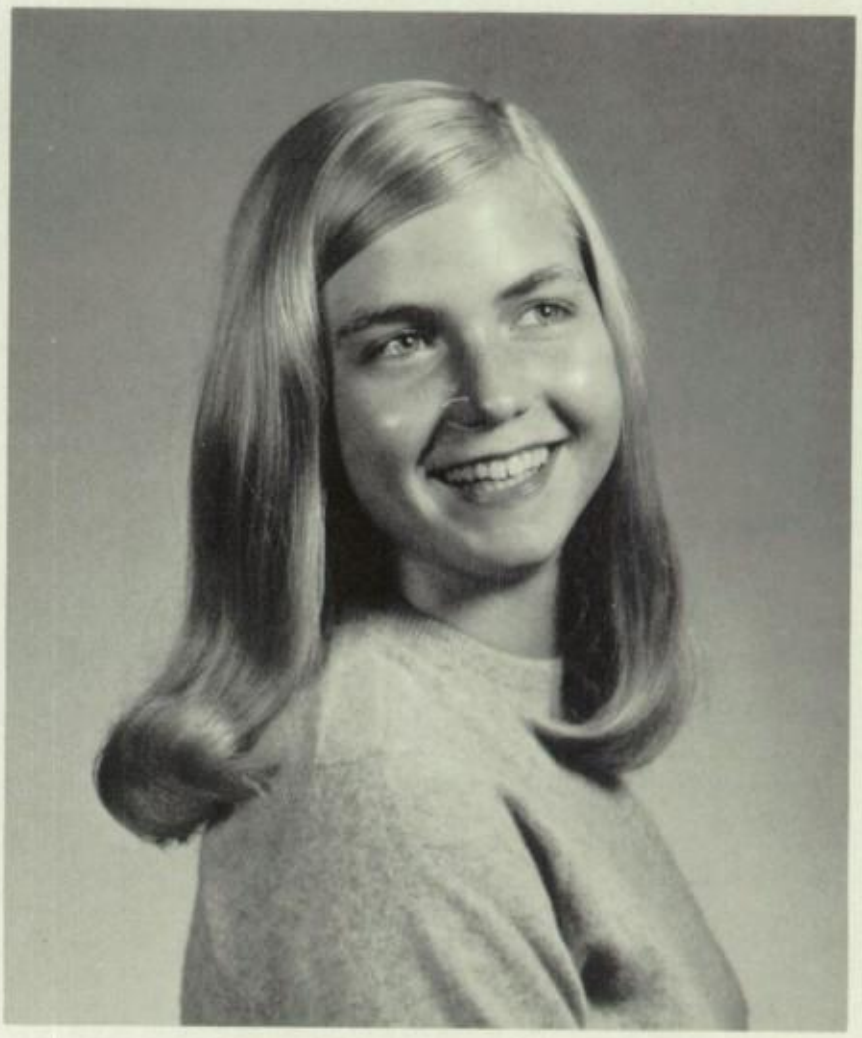
Classmates Recognize Outstanding Leaders



David Pliskin



Jeanne Kaylor

Jeanne Kaylor and David Pliskin received the Manhood and Womanhood Awards at the Honors Assembly.

This award is given to two outstanding individuals and is the highest tribute a student can receive from his classmates.

Sandy Miller

David VanBuren

Sandy Miller and David VanBuren were honored at a dinner, by the Chrysler Corporation as Firestone's winners of the Summit County Citizenship Youth Award. They were chosen on a basis of character, loyalty, leadership, activities, reliability and scholarship. Both Sandy and David received individual certificates of merit, and their names appear on a plaque in the school.

Betsy Brownfield and Robert Morris received the Akron Kiwanis Service Awards at the Honors Assembly during Senior Week. The awards honor scholastic ability and outstanding service to the school and community.

Community Acknowledges Students' Achievements

Roger Blocher

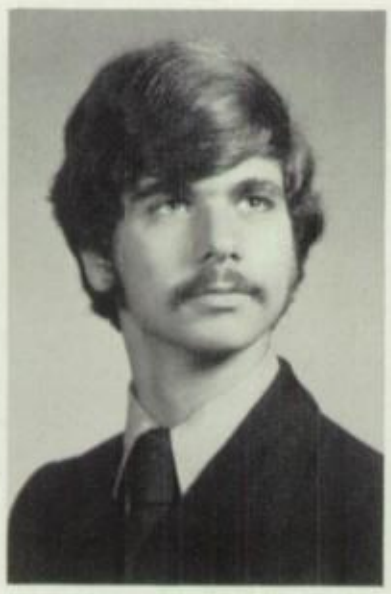
Ken Larson

Roger Blocher was named recipient of the Optimist Clubs of Akron Youth Appreciation Award.

Every year this award is given to one senior in each Akron high school who is outstanding in leadership ability, athletic ability and academic achievement.

Firestone's senior Touchdown Club representative Ken Larson was recognized by the Touchdown Club of Akron for three years' service to school and community. Ken has participated in the Fun vs. Vandalism campaign and also in the Vacation Vigil program.

Fern Dannis



George Lampos

The recipients of this year's **Focus** Award were Fern Dannis and George Lampos.

Focus presents its annual award to a senior boy and girl on the basis of leadership, scholarship and character.

School Organizations

Focus advisor, Miss Joanne Detzel, awarded the Journalist of the Year Award to Gary Rosen. Gary was semester co-editor of the newspaper in his junior and senior years, and has written numerous editorials and articles.

Roger Blocher was the recipient of the first William Tenney Award. This award was established to honor an outstanding athlete who excelled academically as well.

Gary Rosen

Roger Blocher

Class Leaders Direct

Leading the Magnificent Class of '71 were the officers Dave Pliskin, president; Nancy Keller, vice-president; Herb Johnson, treasurer and Betsy Brownfield, secretary. Mr. Dave Robb served as senior class advisor for the first time. These leaders with the class committee chairmen were a dedicated team who suggested new and different projects for the seniors to undertake.

Upperclassmen concentrated on service projects by collecting toys for Akron's needy children and participating in the canned-food drive during the holiday season. These and other activities aided the class in realizing the importance of helping others who are less fortunate.

Traditional activities unified the class. Although many seniors had black-and-blue knees from roller-skating, they enjoyed being together as a class. Soon-to-be June graduates also attended a Halloween party and participated in a car rally.

THE CAST

Zero cannot escape from work pressures even in death.

Elmer Rice's seven scene play **The Adding Machine** is a realistic yet expressionistic drama depicting the tragic alienation of man. The main character, Mr. Zero, a spineless shell of a man, leads a quiet life of desperation as an accountant for twenty-five years. Just as he thinks he has accumulated enough courage to demand a raise from his boss, the administrator appears and informs Zero that he is being replaced by a modern, efficient adding machine. Zero cannot handle the shock of this harsh reality, and in a fierce act of revenge he kills his boss.

Zero is tried for his violent crime, receives the death penalty, is buried and rises from the grave.

He is sent to the Elysian Fields, which first appears to be a peaceful, pleasant place but later proves to be like the planet earth. When he realizes this, he leaves and finds himself in an office operating a gigantic adding machine. A lieutenant informs Zero that it is time to return to earth. Zero does not want to return to the planet where he knew misery but is told he has no choice, for he will be born again and his soul will be serviced, repaired and used over for the 50,000th time.

He learns that there are two types of souls: the type that gets better each time and the type like Zero's that gets progressively worse. In progressing, man has regressed, and in his world of machines, he has become a faceless creature lacking any real identity, a creature wandering aimlessly in search of himself.

When Zero is sent back, he is given a girl to make his existence on earth more bearable. Her name is H-O-P-E and in her rests the future of mankind.

The Zeros after another dull day.

The dead meet in the Elysian Fields.

June 10, 1971

Dedicated to the Class of 1971:

Sit by my side, come as close as the air,
Share in a memory of grey,
And wander in my words. And dream about the
Pictures that I play of changes.

Green leaves of summer turn red in the fall,
To brown and to yellow they fade;
And then they have to die, trapped within the
Circle time parade of changes.

Scenes of my young years were warm in my mind,
Visions of shadows that shine.
Till one day I returned and found they were the
Victims of the vines of changes.

The world's spinning madly, it drifts in the dark,
Swings through a hollow of haze.
A race around the stars, a journey through the
Universe ablaze with changes.

Moments of magic will glow in the night.
All fears of the forest are gone.
But when the morning breaks, they're swept away by
Golden drops of dawn of changes.

Passions will part to a strange melody
As fires will sometimes burn cold.
Like petals in the wind, we're puppets to the
Silver strings of souls of changes.

FALCONS

$2.00 gets you the greatest steak sandwich this side of town.

USDA Choice Top Sirloin in a bed of lettuce on toast, covered by a crisp slice of Bermuda onion and a fat tomato slice.

Put that on a plate, surround it with golden brown Idaho French Fries, and you've got the ultimate in midnight snacks. The Brown Derby Steak Sandwich.

We'll have one ready for you after the game.

Girves Brown Derby. Home of the loving steak.

Rita Leubitz

As we began our year as editors of Volplane, we were enthusiastic and optimistic to put together the best possible yearbook. However, the novelty soon wore off and we found ourselves in a position of immense responsibility, committed to the publication of a 232-page book. Despite staff disagreements, staff incompetence, inexperience, personal conflicts and rushed deadlines, we feel we have compiled an accurate record of the 70-71 school year.

In keeping with our theme of change, we strived to change the yearbook itself to make it as unique as was the year. The most conspicuous innovation is in the faculty section where candids were used in lieu of the traditional portrait pictures.

Through such new and creative ideas our staff portrayed "the ever whirling wheels of change" at work in Firestone. And in our work we discovered the backbone of change is the individual.
